The Academy of Medicine of Cleveland & Northern Ohio

(AMCNO) is the region's professional Medical Association. Physicians choose to join the AMCNO on a voluntary basis and in order to join the AMCNO the physician must be a member in good standing of their hospital medical staff/group and licensed by the Ohio State Medical Board.

With a membership of over 5,000 physicians the AMCNO is one of the largest regional medical associations in the country. We are the VOICE of physicians in Northern Ohio – an organization with a rich history of working on behalf of physicians and the patients they serve for over 185 years – a legacy equaled by no other physician organization in Ohio.

Community Resources

The AMCNO is pleased to provide the community with a number of free public services.

Healthlines

Healthlines is the AMCNO's award-winning radio program that airs on WCLV/104.9 FM every other week on Mondays, Wednesdays and Fridays at 5:45 p.m. During the program, an AMCNO member discusses important health care issues for the educational benefit of Northeastern Ohio listeners. Topics include new health information, techniques or timely health tips. Healthlines programs that have already aired are also available in MP3 format on the AMCNO web site at www.amcno.org.

Pollen Line

Allergy sufferers in the Northern Ohio community can defend against seasonal allergies through the use of AMCNO's Pollen Line. The AMCNO Pollen Line is in operation from April through October and is updated Monday through Friday. Call 216.520.1050.
