A Confidential Resource for Physicians and Other Healthcare Professionals in Ohio.

The Ohio Physicians Health Program (OPHP) is a 501(c)3 not-for-profit organization that assists physicians and other healthcare professionals who may be affected by substance use disorders or other issues impacting their health and well-being. OPHP provides evaluation and treatment referral, recovery documentation, education, support, and advocacy.

OPHP SERVICES CAN BENEFIT OHIO'S HOSPITALS, ASSOCIATIONS, AND HEALTHCARE PROFESSIONALS BY:

- Providing confidential assistance to those seeking help for issues impacting their lives, including: drug and alcohol addiction, disruptive behavior, sexual boundary issues, physical or psychiatric illnesses, mental or behavioral disorders, burnout, stress, and others.

- Assisting with interventions and presenting assessment and treatment referral options.
- Providing monitoring and recovery documentation including toxicology testing, support, and advocacy for healthcare professionals.
- Ensuring the adherence of the rules and guidelines set forth by the State Medical Board of Ohio.
- Presenting educational lectures all across Ohio on substance use disorders, physician health, Ohio's "One-Bite" Rule, and services available through OPHP.

For information on Ohio's One-Bite Rule, to make a referral, or to schedule an educational lecture please contact us at (614) 841-9690 or info@ophp.org.
